QUARTER IN REVIEW

Boston, New York, Philadelphia and Telecast Wrap-ups

The Lehigh Club of Boston has hosted a number of events this past year. Among them includes the Spring Social at the Point with Chris Marshall '88, Executive Director of the Alumni Association. Kellie Fisher '88 helped organized the Big Dig Tours in September and October. Attendees raved about this event where Dan McNichol, author of the award winning book "The Big Dig," led a number of Lehigh alums on walking and biking tours of the Big Dig.

On November 2, 2002, over 100 alumni from the Lehigh Club of New York and the Lehigh Regional Club of Northern New Jersey joined together for a tailgate party at Fordham University. The exciting game ended in a 26-23 overtime win for the Brown & White!

The Lehigh Club of Philadelphia hosted "An Evening with Lehigh" with special guest President Gregory C. Farrington at the Union League in November 14, 2002. The Overtones, Lehigh's 14-member a cappella jazz group, performed in front of 125 alumni and guests at the event.

Over 50 alumni clubs participated in the annual Lehigh/Lafayette Telecast in pubs and restaurants across the country on November 23, 2002. Even though our Brown & White were unable to defeat the Leopards, the telecasts were a huge success!

A day of great fun, fast racing and Lehigh camaraderie are guaranteed at both locations.

CLUB SPOTLIGHT

“Bach and Brunch”: Event a success for Philly

The Lehigh Club of Philadelphia hosted an event at the Kimmel Center for the Performing Arts on February 2, 2003. Marketed under the title of “Bach and Brunch,” the event drew three times as many people as forecasted.

The morning began at the Doubletree Hotel on the Avenue of the Arts, where approximately half of our group enjoyed a hefty buffet brunch. Afterwards, we strolled to the Kimmel Center, new home of the Philadelphia Orchestra. We arranged for a few tour guides to take the majority of our group through the facility prior to the start of the concert. The Kimmel Center is an amazing space and a great performing arts venue. Our seats were located in the Conductor's Circle, where we observed all the stage activity and every expression made by the conductor, Jamie Laredo.

The event was an unqualified success. We're very thankful for

Lehigh Club
of Philadelphia

the great support we got from the Kimmel Center staff, the Lehigh Alumni Association and the Philadelphia area alumni. Based on this experience, the Lehigh Club of Philadelphia will be revisiting the Kimmel Center in the near future!
